

SOUS CHEF

35k for 40 Hours per week

Some weekend working required

Experience essential

We're looking for a Sous Chef to join our kitchen at The Fox & Goose Inn, working closely alongside our Head Chef to deliver consistently high-quality, home-made food.

This is a hands-on role, supporting the day-to-day running of the kitchen and stepping up to lead the team in the Head Chef's absence. You'll be confident managing other chefs, maintaining standards during busy services, and keeping everything running smoothly behind the scenes.

Evening and weekend work is essential, as these are our busiest periods. That said, we understand the importance of balance – we're a flexible, supportive team, and if you have specific requirements or commitments to work around, we're always open to a conversation.

We're an independent business that takes real pride in doing things properly – from cooking everything from scratch to creating a kitchen environment where people enjoy coming to work. If you're looking for a role where you can take responsibility, be part of a strong team, and have input into what you do, we'd love to hear from you.
